LIBRARY

January - April 2022

Community Friendship Quilt

The Library will be putting together a community quilt with individual squares created by patrons!

Starting in January, quilters can pick up supplies to create a square of any design or color to add to a community quilt that will be displayed in the Library. Each participant will receive an 8-inch cotton square, which can be decorated or crafted in any way you choose.

Final assembly will begin in April.

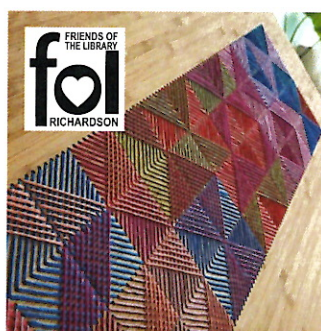

Call 972-744-4376 for more information.
