

Learning & New Experiences

Landscaping with Biodiversity

North Texas Master Naturalists Sean and Chrissy Cortez-Mathis will share their story of transitioning their Richardson property from a lawn to pathways and plants. They'll discuss how this shift brought sustainability and biodiversity to their

property and the surrounding neighborhood. Participants will receive seeds and cuttings to add to their own gardens.

ADULTS & TEENS

Registration required.

Call 972-744-4376 to register.

Saturday, February 19, 10:30 am-12 pm

Travel 101

with the Traveling Professor

Join Steve Solosky to get both essential and advanced tips for everything travel, from itinerary planning to group tours to photography basics. Two-part series.

Tuesdays, February 1 & 8, 11:30am-12:45pm

Great People of Color

DeCee Cornish, an award-winning storyteller, historian, writer, and educator, will present a program that shares stories of great men and women of color in world culture for Black History month. **Tuesday, February 22, 11:30 am-12:45 pm**

Deadly Dallas

Rusty Williams, author and historian, will lecture about life at the turn of the twentieth century in Dallas. Turns out it was far more lethal than those sweet old photos suggest: out-of-control fireworks displays, boiler explosions, deadly house fires, elevator failures, unexpected weather events, poor sanitation, and more.

Tuesday, March 8, 11:30 am-12:45 pm

Three-Part Series for Women's History Month

Speaker Richard Cudlipp examines the life of two notable First Ladies in a 3-part lecture series:

Abigail's Revolt

Abigail Adams: the very independent and progressive wife of President John Adams

Tuesday, March 15, 11:30 am-12:45 pm

Eleanor Roosevelt, part 1

Tribulations of growing up, and then meeting and marrying FDR.

Tuesday, March 22, 11:30 am-12:45 pm

Eleanor Roosevelt, part 2

Politics, elections, and the war.

Tuesday, March 29, 11:30 am-12:45 pm
